Mrs. Pearson
Died January 16th, 1910.

As it has been felt that a great many members of the congregation will be glad of an opportunity of having photographs of the late reverend Rector and Mrs. Pearson. two excellent likenesses have been inserted in the Year Book.

It may not be out of place to state here that the Committee appointed at the Vestry Meeting to consider the placing in the Church of a suitable memorial to Dr. and Mrs. Pearson, have come to the conclusion that a memorial pulpit would be most appropriate. The members of the Committee are giving the matter their fullest consideration. and hope before long to have a definite statement sent out to all past and present members of Holy Trinity Church.

Church-wardens' Report.

Easter, 1911.

We regret that we have to report that the income of the Church for the past year has failed to meet the necessary expenditure, notwithstanding that at the beginning of the year there was a credit balance of $193.01 (the amount standing to the special rapair fund having been by resolution passed at the last Easter Vestry meeting, transferred to the General Purpose Account). The deficit, as will be seen from the financial statement, is $328.34, this is after including $91.17 received from the endowment, which is properly only applicable for repairs to the fabric of the Church, and should be added to the above shortage, making the overdraft proper $419.51. This at first glance might lead one to think that the contributions were becoming less, but a careful perusal of this statement, and a comparison of it with former years, will show such not to be the case—the Offertory for General Purposes has been larger than for some years past, while, through the efforts of the Committee, greater attention has been paid to Missions than of late—$725.93 being the amount forwarded this year to the Secretary of the Synod for Mission purposes. The explanation for this overdraft lies in the extra expenditure required for repairs to and other outlays in connection with the Rectory which could not be deferred, in the absence of any revenue from the Scadding House, and in further fact, that our expenses are increasing as aggressive work is undertaken, illustrated by the large bill for gas and other items of expense, compared with former years.

The total receipts from the 15th March, 1910, to the 15th March, 1911, exclusive of the above sum received from the endowment amounts to the sum of $4,507.67, of this $3,564.25 was for Parochial purposes and $943.42 for non-Parochial purposes, particulars of both being set forth in the statement

accompanying this report. The average weekly offeratory for General Purposes has been $60.16. This shows an improvement over the past two years, but is yet short of what is required to meet necessary expenses.

In last year's report mention was made that the asphalt pavement recommended by the City Engineer to be constructed on the roadway surrounding the Church had been petitioned against by the Church-wardens, and that the recommendation was not granted. Since then, however, we received notice from the City Clerk that the City Engineer having reported that, in his opinion it was desirable in the public interest that this work should be proceeded with, the City Council would consider the propriety of authorizing the construction of it, notwithstanding the filing of the petition in opposition thereto. This Council has power to do if approved by a two-third's vote of all its members which, on the matter coming up for consideration was obtained and the pavement, as you see, has been laid down and a sewer constructed underneath the southerly part. The payment of this will form a considerable addition to the local improvement taxes for the next ten years, and some plan should be considered for meeting it.

The part of the Scadding house referred to in last year's report as being in a dilapitated condition has been removed, $65.00 was realized from the old material. Plans have been prepared for the erection of a new building to be attached to the present structure and used in connection with it, thus making a building covering the whole lot, with a frontage of twenty-five feet by ninety feet in depth, and three storeys in height with basement. As this will be used chiefly for Institutional work, the Church-wardens feel the cost should be paid out of the increased endowment, in fact we see no other feasible course open. Arrangements are now in progress to that end, the matter is in the hands of a Committee, and we hope that the coming summer will see it completed. While referring to this, we desire to express our gratitude to Mr. Frank Darling

for his kindness, and the interest he has taken in this matter, and for preparing the plans without expense to the Church.

Shortly after Christmas we received a letter from Mr. A. R. Blackburn, resigning his position as organist. After due consideration of the matter with the Rector and Finance Committee, and after interviews with Mr. Blackburn, he was induced to reconsider it, and consented to continue provided his salary was increased; a new engagement was then entered into with him for such time as we had the power to contract, commencing the 1st April, instant, and not exceeding three years, at a salary of $1,200 per annum, the terms of which are more fully set out in the minutes of the meeting of the Committee which have been read this evening. By reason of the increase in the endowment, the congregation can be relieved from further obligation to the Clergy for stipends, enabling Church-wardens to meet this increase without materially increasing the outlay for salaries, while allowing the organist to be remunerated adequate to the work he will be called upon to do and what is required.

The past year marks another epoch in the history of this Church—the Rev. Dr. Pearson, the third Rector, was removed by death from the field where he labored for over thirty-five years, and his remains were interred in St. James' Cemetery on the 15th June last. His faithful and devoted work, though to some extent recorded in the year books issued during that time, is well known to those who have been connected with this Church, while his strong sense of duty, his kindness and Christian character, will long be remembered by the numerous persons who have come within the sphere of his influence. We shall miss his quiet dignity, his kindly consideration for those who differed from him, and, most of all, "The best portion of a good man's life, his little nameless, well-remembered acts of kindness and of love." His Lordship, the Bishop, was pleased to appoint the Assistant-Rector, Rev. Derwyn T. Owen, to the vacancy, and in extending to him the congratulations

and best wishes, not only of ourselves, but we feel sure, of the congregation, may we hope and look forward to this historical old Church, under his guidance and direction, continuing and, if possible, enlarging its influence and usefulness, and every year take a more advanced and leading part in the work that a Church situated in this thickly populated district, and so generously endowed, is capable of doing. The Rev. J. F. Wiseman comes to us as Curate, and in welcoming him, we trust his connection with this congregation will prove beneficial to it, as well as satisfactory to himself.

Those of us who have been in the habit of attending our Vestry meetings will to-night miss the familiar face of Mr. Thos. E. Champion, whose demise took place almost a year ago. He always took a great interest in this Church, and had he been spared, would no doubt have been with us.

The several organizations in connection with the Church will no doubt have reports as to the particular work of each. We understand that all are active and enthusiastic.

In retiring from office, your Church-wardens desire to place on record the thorough accord existing between the Wardens and the Rector, his confidence in their good intentions, and his desire to consult with them has made the discharge of their duties a pleasure rather than work.

We wish to thank the ladies and also the young people of the congregation for their work and assistance during the past year, to assure the Organist and Choisters that their efforts to maintain and improve the musical part of our services is appreciated; to thank the Auditors for their work so satisfactorily performed, and last, but by no means least, the members of the several Committees, who have freely given their work, suggestions and advice whenever requested. May this desire and willingness of everyone to assist continue to increase and to be encouraged.

Respectfully submitted,

W. R. CAVELL,
A. D. LANGMUIR,
Church-wardens.

Another year has gone, and as usual, several changes have taken place during that time. Since our last annual report was issued, our late venerated Rector has been called to his reward. The Rev. John Pearson, D.C.L., came to this Parish

as Rector-Assistant in the year 1875, and became Rector in 1886 in succession to the Rev. W. S. Darling, who died in that year. His last apearance in this life in the Church was on Easter night, March 27th, 1910. After an illness of a few weeks, he died on Monday, June 13th, and was buried from the Church which was filled with people, including many clergymen, on the following Wednesday. Dr. Pearson will be remembered for a long time by a great many folk, for in thirty-five years of active work in the centre of the city, he had by virtue of his office entered into the joys and sorrows of a multitude of people. Perhaps the outstanding feature in his noble life was his absolute devotion to his duty as a Priest of the Church of England.

May his good example be followed by Clergy and people,

"Though we may mourn those in life the dearest,
They shall return, Christ, when Thou appearest."

We are glad to welcome amongst us the Rev. J. F. Wiseman, and extend to him our co-operation and best wishes in the work he has undertaken, and earnestly hope that he will be spared to labor with us for many years to come.

I am sorry to report the loss of Mr. Ince, our Librarian, also two teachers, Miss Zurhorst and Mr. Langmuir.

We have the pleasure of welcoming as new teachers, Miss Harford, Miss Marnie, Miss Predham, Miss Riley, Miss Pepper Miss Rowley and Miss Briggs.

School Roll: Main school-teachers 16, scholars 105. Infant department: Teachers 7, scholars 67. Total 172.

Average attendance 92. I might say for the reason of the low average, is on account of the three summer months, when the average attendance is about 60 and the other months about 105, you will also notice we have about 30 scholars more than last year, which increase has been noticable in the last few months.

We regret the death of one of our late scholars, Leslie Rodden, who was an example of manhood, and had a promising career

before him. I think we have been fortunate in securing Miss Clarke to take hold of the Library, and hope that the parents and scholars will take advantage and appreciate her services.

The Annual Picnic at Queen Victoria Park, Niagara Falls, Ont., was a grand success. This summer we intend taking the school to Eldorado Park, and sincerely hope that the congregation will come along and help to make the outing a profitable one, both to themselves and the children.

The Annual Christmas Treat and Prize-giving was, as usual, a pleasant affair. Ample programme and refreshments were in order.

I am pleased to notice by the Treasurer's Report, that the school has done her full share this year for Missions. During the last year we have had our regular monthly meetings for teachers, which have been well attended, thanks to our Rector and Curate, who have taken such an interest in them. This year we expect to hold weekly meetings on Wednesday evenings, directly after the evening service. Thanking the officers and teachers for their generous support.

THOS. HOPKINS,
Superintendent.

The work of the Auxiliary has been carried on much as in former years, 21 meetings having been held, including 6 business meetings with an average attendance of 21 members. The membership is 89, and there are 79 subscribers to the Leaflet.

In October, Mrs. Owen was presented with a Life Membership in the Auxiliary by the members of this branch, "as an expression of their pleasure in welcoming her to the Parish."

Miss Rowley and Mrs. Beatty Walker have made themselves Life Members, the former in memory of her mother, making three new Life Members this year.

A letter from Principal Williams, of Gordon's School, was received in October, announcing the safe arrival of last year's Bale, and espressing great appreciation of its contents.

At the business meetings addressed have been most kindly given by the Rev. D. T. Owen, Mrs. George Holmestead, Miss Nicholl and Miss Bennet of Lesser Slave Lake.

It was a great pleasure to have the March Diocesan Board meeting held in Holy Trinity Schoolhouse. It was very largely attended and was an inspiration to all.

The greatest regret was expressed at the March business meeting, upon receiving the resignations of Miss Blachford as Dorcas Secretary. Mrs. Clougher as Diocesan Representative, and Mrs. Cameron as Treasurer of the E. C. D. Fund.

The most sincerely grateful thanks of all the members of the branch are due to these officers for the valuable work they have untiringly done for so long, and it is hoped that at some future time they will be able to take up active work again.

Sewing was done as usual, for the Parochial Dorcas Society until Christmas, since when a good Bale has been prepared and sent to Gordon's School.

The meetings will be resumed on the second Tuesday in October, and will be held every succeeding Tuesday at 2.30 p.m.

New members will be cordially welcomed at any time, and members of the congregation are specially invited to attend the business meetings on the second Tuesday of each month, when the addresses and reports are always interesting.

HELEN R. BRUCE,
Secretary.

The season of 1910-11 has been one of the most successful in the history of the Holy Trinity Branch of the A. Y. P. A. The membership has been substantially increased, there now being 134 members on the roll, and the average attendance at the weekly meetings was most gratifying.

An interesting and varied programme was drawn up for the season, on which figured several excellent addresses. Those who were present on the evening of Jan. 31st enjoyed a most delightful address on India, given by Professor Brett, of Trinity College. The Association was most fortunate in having Miss Connell, the Principal of the Deaconess' Training School, give an address on the life and work of a deaconess both at home and in the foreign field. The Society is deeply indebted to the Rector and Mr. Wiseman, who gave several interesting and instructive addresses.

On various evenings papers were read by members of the Association on literary subjects, and on several different countries of the world.

The proceeds from the annual pound concert enabled the Society to send about 16 Christmas baskets to the poor of the Parish.

At present everything in connection with the A. Y. P. A. points to success. It is one of the largest branches in Toronto,

and has a wide field in which to work. The Society is really a great power for good. The young people of the Church are looked to to work among the numbers of other young people who reside in the Parish, and in Holy Trinity Parish this is a real work. With the help and co-operation of every member the Association can be made of infinite use and helpfulness in the workings of the Church.

Two members of the Guild meet each Saturday, prepare the linen, clean the brasses, arrange the flowers, and change the hangings according to the seasons.

Contributions for the Flowers, are made each month by members of the congregation, by envelope, in sums running from ten cents up, and a few more subscribers added to our present number would be most welcome.

A set of white markers worked and donated by Mrs. Langmuir, were used for the first time on Easter Sunday.

The Guild have undertaken to work a set of green antependia, to take the place of the present ones, which are sadly faded and worn, and hope to have them ready to hang when Trinity Season comes.

The Guild wish to thank the anonymous contributors to the Easter Flowers.

The Envelope Committee.

Your Envelope Committee, in closing the year of 1910 and 1911, desire to say that this has been the most successful we have had for the past three years—the total amount received through the envelopes was $1,302.45, an average of $24 per Sunday, as against $899.36, an average of $18 per Sunday for the previous year. A total increase of $503.09 for the year.

The following is the comparison:—

This committee made three special appeals during the year—one in April, which was mailed to all non-contributors, resulting in a gain of twenty-seven new members; in June a second appeal was sent following up the first with satisfactory results; and again in November another was distributed throughout the Church. All this was done in an endeavor to bring the envelope subscription up to $50 a Sunday, which, we are sorry to say, has not been accomplished. We, however, hope that in the coming year this amount will be realized, as this is the only guaranteed source of income the Church-wardens have to meet their financial obligations.

The Men's Bible Class.

In September last year the Men's Bible Class commenced a course of lessons on "Church History." Beginning with the foundation at Pentecost, the story has been followed down the centuries to the Reformation. Special attention has been given to the Church in England. This course will be concluded when the class adjourns for the summer at the end of May.

The attendance for the past year has been small as compared with a year ago, but under the direction of our new officers we expect better results in the future. The officers-elect for the season 1911-12 are:—

President.....H. Tucker
Vice-President.....T. Owen
Sec.-Treasurer.....R. McKnight
Executive Committee.....A. Coulson, W. Marks

The class regrets very much the coming departure of Mr. Arthur Smith for the West. Mr. Smith has been Vice-President of the class since its organization, and one of its most valuable members. The best wishes of every member of the class will accompany Mr. Smith, and a return at some future time is hoped for.

W. MARKS,
President.

Mothers' Meetings.

The mothers' meetings for the season of 1910 and 1911 have been most successful, the attendance being larger than usual and more work being done. We finished four quilts, one for the W. A. and the other three for the Dr. Grenfell Mission on the Labrador Coast.

We meet on Friday evenings at 7 o'clock and are always pleased to welcome any mother who will come. We hope more will join us next season.

F. M. McAULEY.

Dorcas Society.

The amount collected for the Dorcas Society during the year was $12.50.

Collected by Miss Leslie	$3 25
Collected by Miss Selby	9 25
	$12 50

The sum was expended on flannel, shoes, and clothing for the poor.

NORA OWEN,
Treasurer.

Girl's Friendly Society.

The attendance at the regular meetings of this Society have been very well attended. At a meeting of seventeen of the members it was agreed to ask Dr. Copp, of the St. John's Ambulance Society, to send one of his lecturers to our Branch, to give us a course in "First Aid to the Injured," to be held on the Girls' Friendly evening. This was carried out, and the course of six lectures proved most interesting and instructive. He had a class of thirty, some of these being outsiders, and twenty went up for the examination, the results of which are not yet out.

Our year closes on the 6th of June with a closing meeting of all the branches in Toronto at York Mills, Mrs. Ashcroft, the President, acting as hostess.

NORA OWEN,
Branch Secretary.

The Sewing Class.

The Sewing Class for little girls has been held every Monday afternoon during the winter at 4.15, under the superintendence of Miss Leslie, Miss Locke, Mrs. Canniff, Miss Gwatkin and Miss Turquand. The attendance was comparatively small on account of the removal of so many families from the parish and vicinity. The children did good work in the making of useful articles such as skirts, aprons, towels, etc., and prizes were awarded for regular attendance and good work.

FLORENCE TURQUAND.

Laymen's Missionary Committee.

In the Report of this Committee of last year, it was stated that upon a full consideration by the Committee, it was decided not to make any change in the methods employed in obtaining subscriptions for Missionary purposes, viz., the usual house to house collection and the regular collection through the offertory ordered by the Synod of Toronto, at the same time recommending that the congregation should adopt the envelope plan, and undertake to give regularly for this purpose.

The house to house collection has now been abandoned, and we must now rely for our returns upon the subscriptions through the offertory and the envelope plan.

The envelope plan is undoubtedly the only reliable and satisfactory means of obtaining returns for this fund, and your Committee ask that the members of the congregation should adopt this plan. An effort will be made during the coming year to personally canvass all the members of the congregation with this object in view.

The amount which the Church of the Holy Trinity is asked to give for Missionary purposes for the year 1911-1912 is as follows:—

Missionary Society of the Church of England..	$470 00
Diocesan Missions	565 00

For the year just closed there was given:—

Diocesan Missions	$372 61
Missionary Society of the Church of England ..	353 32

While this is a considerable improvement on past years, we certainly should not fall short of the small amount we are assessed. It can be done, if only the members of the congregation, one and all, will recognize their responsibility in this matter, which is only their duty, and take their share and interest in a work which every Church in the city is offering its best energies.

The following is a list of our present subscribers:—

A. D. LANGMUIR,
Chairman.

The Athletic Club.

The Boys' Club of the Holy Trinity Church elected the following officers for the year 1910-11:—

Hon. President	Rev. Derwyn T. Owen
Hon. Vice-President	Rev. J. F. Wiseman
1st Vice-President	Mr. A. D. Langmuir
2nd Vice-President	Mr. W. R. Cavell
President	Mr. T. Armour
Secretary	Mr. E. Manifold
Treasurer	Mr. W. McDougall
Captain	Mr. E. White
Manager	Mr. M. J. Armour
Patrons	Mr. Miller Mr. Hopkins Mr. Armour Mrs. Scott

The Basketball team was organized for the year, and as the team were champions of their league in 1909-10, they decided to enter a higher league, so they cast their lot in with the Inter-City B. B. League, which is comprised of six Church teams in the City, we were not so successful as in previous years, being defeated for the championship by one game. Considering, however, that we had the lightest team in weight in the league, and also the youngest, the boys gave a very good account of themselves, and under the management of J. Armour, are going right back next season and try harder than ever to bring another championship to Holy Trinity. The team still keep up the good record of not being defeated on the home grounds, and as it is three years since we have lost at home, that alone is something to be proud of. Our team this year was composed of the following players:—

Forwards, E. White, W. McDougall; Centre, E. Manifold; Defence, T. Armour, P. Miller.

Ernest Manifold,
Secretary.

Holy Trinity Church Men's Club.

This association was reorganized, under rather new auspices, at a general meeting of men held in the schoolhouse, at which time a committee was chosen to prepare and submit constitutional regulations to govern the formation and conduct of a club. At a subsequent meeting held a constitution was finally adopted, and the Holy Trinity Church Men's Club (with members) held its first general meeting, electing the following officers for the ensuing year: J. H. Ince, President; Rev. F. A. Wiseman, Vice-President; C. Pope, Treasurer; J. Riley, Secretary; W. Marks, G. Adlam and J. F. Scarlett to complete a Board of seven directors. Unavoidable aud regrettable resignations, from time to time, have necessitated substitutions as follows: Mr. McGann to replace Mr. Adlam, F. S. Harrod to replace Mr. Marks.

The first care of the Club was that of securing comfortable quarters. The Rector at once assigned to its use the north west corner room, on the upper floor of the Schoolhouse, and it was decided that the congregation should be requested to assist in the furnishing of the room. It is a splendid tribute to the generosity of the people of our church, and to the untiring efforts of Mr. Pope, who did all the collecting, that about one hundred dollars were subscribed in an incredibly short time, this sum being judiciously invested in carpeting, furniture and curtains for the room. Kindly gifts from the Rev. Mr. Wiseman, Mr. Scarlett, Mr. Harrod, Mr. Grant and others have added to its utility and ornamentation.

The club quarters have been open for use on four nights of every week since its reorganization, with the exception of occasions on which it might have interfered with Church services, and the members and their friends have found recreation in such games as carpet ball, croquinole, checkers, chess, etc. Two entertainments have been given by the club during the winter, one a Box Social and the other an informal evening of music, recitations, etc. Both were highly successful, largely owing to the zeal and good work of Mr. Pope, and to the services of those who performed and lent their aid.

Among its resolutions, during the year, the Club is desirous of giving as much publicity as possible to those expressive of its gratitude to the ladies of the parish for their aid in furnishing the room and in connection with the Club entertainments, to the Rector for his sympathy and substantial assistance (the Rector has been elected a Life Member), and to individual members of the Club (among whom the Curate is conspicuous), and to others, for their generous help.

The membership of the Club has increased, during the year, to 35.

F. S. HARROD,
Secretary.
